Things to note for connecting to Snoopy

- Host name: snoopy.engg.uregina.ca / 142.3.105.92
  - The server is behind the University's firewall, so it can only be accessed from a machine with UofR IP address range.
  - WiFi : Do not use uofrGuest. Use eduroam.
  - Otherwise, use VPN.

- For first time account holders, your username and password on snoopy are the same as your UofR username, e.g. if your email is jon123@uregina.ca, then your username is jon123 and your password is jon123.

- You will be forced to change your password on your first login. Please enter your current password (i.e. jon123), followed by your new password.
